- a. A **minimum** of 112 overs shall be bowled in an uninterrupted days play. In the event of the minimum number of overs (112 overs in an uninterrupted day; or the number of recalculated overs if overs are lost in that day due to ground, weather or light, then play shall continue until these overs have been completed, subject to weather and light. No over deductions for change of innings.
- b. A **minimum** of 16 overs will be bowled in the Last-hour of the match.
- c. If play is suspended, which includes a change of innings, the minimum number of overs to be bowled in the day shall be calculated on whichever of the following two bases produce the greater number of overs:

Either permitted playing time remaining in the day (based on 16 overs per hour/3.75 minutes per over)

OR the minimum number of overs agreed for the day, less the number of overs already bowled and less all allowances for the suspension of play.

6 Weather

- a. The total hours (including all stoppages and extra time) do not exceed 16 hours in any match, except where this is necessary to allow 16 overs in the Last-hour of the match.
- b. Play can be between the hours of 10:00 am and 7:00 pm provided that no session exceeds three hours duration, except where this is necessary to allow 16 overs to be bowled in the last hour of the match. If time is lost in a day's play because of light, weather or any other unavoidable circumstance then, the above hours of play should be varied or extended where possible on that day or subsequent day to make up lost time.
- c. No replay of an otherwise abandoned match may be claimed.

7 Length of innings

There is no restriction on the length of an innings. A new ball becomes available after 80 overs.

8 Points
